BARGAINING UPDATE*

October 28, 2020

- GTA and GUSD came to agreement in regard to evaluations of permanent members. Members will complete a reflection form in the spring (no PPG Parts 1 or 2). Participating permanent members will be formally observed at least *once* (not at least twice) by an administrator. ([See linked sideletter](#))
- GTA proposed:
 - that unit members may *volunteer* to return to campuses for in-person assessments that are required by federal/state law *and* requested by parents.
 - safety conditions aligned with the LA County Department of Public Health guidelines. These conditions include at least 6 feet of social distancing, requiring face coverings, and the option to work in a shaded outdoor location.
 - members who volunteer may discontinue an assessment for students who do not follow safety protocols, and members may opt out of voluntary in-person assessments at any time.
- GUSD asked clarifying questions about GTA's counterproposal and will present their counter prior to the next negotiations.
