

**Autobiographical Sketches**  
2022 Runoff Election (22-23 BOD)

**WNSHZXRCAKDYEBVTJQIMUOFLPG**

Only members from Crescenta Valley H.S., Daily H.S., and Clark H.S. are eligible to vote for the following below:

**Senior High School Area Director**

Sebastian Hernandez - Crescenta Valley High School:

Recently my dad's work tried to hire agency workers. Some were okay with this because it was less work for them. My dad wasn't having any of that; these are union jobs. He spoke with his coworkers, reminded them to stand up for the new workers or risk losing everything we've gained. Collective power works, but only if we remember it's not just about me. Doesn't matter how long you've been working; we need to stand for every member. They got them to stop. Hired them as union members. For me, this is a union. Everyone counts.

Patrick Davarhanian – Clark Magnet High School:

My name is Patrick Davarhanian and I am currently the Senior HS Area Director (North). I am running for re-election because I wish to continue working on behalf of our members. As a proud product of Glendale's public schools and a fierce advocate for the Glendale Teachers Association, I am committed to improving the lives of our amazing educators and staff. I have taught at Glendale Unified School District for 10 years now as an elementary school teacher and a high school social science teachers. I have been teaching at Clark Magnet High School as a social science teacher for 6 years and I am also the department chair at CMHS. Aside from my work at Clark, I am also a mentor teacher for the district, which gives me a great opportunity to get acquainted with new teachers. Please know that I am always available if you have any question or concerns. I hope to receive your support. Thank you very much.
