

GLENDALE TEACHERS ASSOCIATION

AND

GLENDALE UNIFIED SCHOOL DISTRICT

SIDE LETTER OF AGREEMENT

FEBRUARY 27, 2020

The Glendale Unified School District and the Glendale Teachers Association agree to ongoing discussion regarding the implementation of the District's Student/Parent Portal. This discussion will include the consideration of forming a committee of stakeholders (teachers, parents, students, and administrators) who will examine and provide recommendations regarding the purpose, concerns, issues, and necessary support and training needed for successful implementation. If such a committee is formed, the Glendale Teachers Association will identify its members who will serve on the committee. The GUSD and the GTA will consider the committee's recommendations during further negotiations.

The goal of this continued discussion is to reach agreement on the viability of implementation of the Student/Parent Portal effective the start of the 2021-2022 school year.

It is so agreed:
