BARGAINING UPDATE

March 7, 2022

GTA and GUSD's bargaining teams met on Monday at the virtual table while GTA members wore red to express solidarity.

TODAY'S ACCOMPLISHMENTS:

- GTA and GUSD signed off on an addendum to our 2021-22 Campus Safety MOU. The District will communicate that, starting March 12, indoor masking will no longer be required, but will be strongly recommended. **All other safety provisions in the Campus Safety MOU will stay in full effect through June 14, 2022, and KN-95 masks will now be made available to all employees and students who request them.**
- GTA and GUSD signed off on a tentative agreement that would guarantee placement in District child care programs for the children of any bargaining unit member who attend District elementary and/or middle schools for the 2022-23 school year. Members must submit an **application prior to April 1, 2022.** Unit members will be expected to pay applicable fees, if there are any.
- GTA and GUSD are continuing to work on reaching agreements on other items in the Contract.
