

**Memorandum of Understanding
Between
Glendale Teachers Association
And
Glendale Unified School District**

The Glendale Unified School District (the "District") and the Glendale Teachers Association (the "Association") jointly known as the parties agree to the following terms:

1. If EEELP/CDCC unit members are required to remain on campus beyond the close of afternoon student programming, their onsite obligation shall not exceed ten (10) minutes following the close of student programming. This preparation time is exclusive of preparation time described in Article 7 section 2.e (3). If EEELP/CDCC unit members shall be required to supervise students during or beyond their preparation time, they shall be compensated at their teacher hourly rate of pay as defined in Article 7, Section 1.d. The EEELP/CDCC Head Teacher will notify the program supervisor at 5:45 PM and 6:00 PM of possible additional supervision (5:45 PM) and students remaining (6:00 PM). This MOU shall supersede any conflicting language in the collective bargaining agreement.

2. If EEELP/CDCC unit members work in a program that is a partnership with an outside agency, unit members will consult with the partner agency to schedule program activities. EEELP/CDCC unit members shall retain the right to utilize their professional judgement as they implement their instructional program. EEELP/CDCC unit members shall not be subject to direction from or supervision by outside agencies or contractors.

Either party may reopen this MOU in order to negotiate problems that may arise as a result of this MOU.

The parties agree to incorporate this language into the Collective Bargaining Agreement as Article 7 Section 9. k.
